Share Bin Grant

2016 Bin Grant

The Coca-Cola/Keep America Beautiful Recycling Bin Grant Program supports recycling in communities and on college and university campuses by providing bins to selected grant recipients for the collection of beverage container recyclables. Grants will be provided to a limited number of applicants who can demonstrate how their proposals will lead to sustainable recycling opportunities.

The bin grant program has two focus areas:

- Public Space Bin Grants

The Public Space bin grant program is open to non-profit organizations, government agencies, schools and religious organizations.

- Collegiate Bin Grants

The collegiate bin grant program is open to two-year and four-year degree granting colleges and universities.
